I knew that this would happen...
Their security lacks. The world is a really dangerous place...

CREAK
Even if this door is connected to the backyard, they always lock it well.

Hm... she must be reading the magic book underneath here...
It is somehow gloomy.

Midan Gang...

Come outside.
I brought you dinner,
so let's eat, you
can finish later-
.....

MIDAN GANG!
KNOCK
KNOCK

Has she already gone home?

I think there is a rustling sound coming from inside, if I heard it correctly.
Ugh

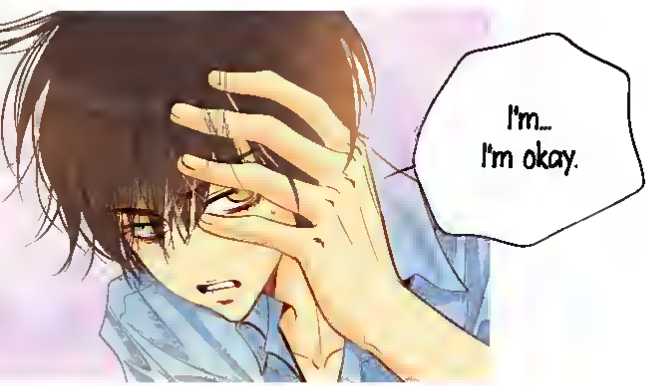
Yes... it's already 11 pm, so she might have gotten home
CLANG
CLANG
Huh? Is she still inside?

If you are inside, please answer...

CLICK

sfx: hit
WAAAAAAAAH!
OH MY, OH MY, WHO IS THIS?

I came outside because the floor was creaking, I didn't know that you were here...
What should we do...
Ugh...
Does it hurt a lot?



I'm... I'm okay.

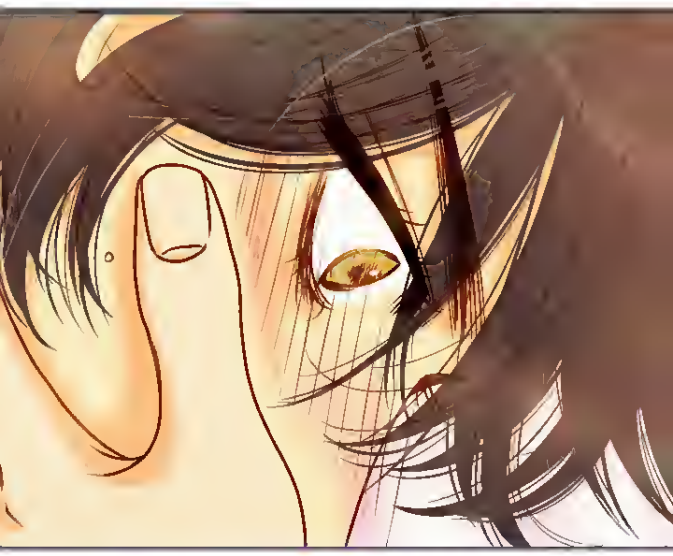
WHAT DO YOU MEAN BY YOU ARE OKAY?
YOU SHOULD'VE MADE SOME NOISES IF YOU WERE HERE.

I made noises...
Here, come closer!
sfx grab

No, it's okay...
Oh my, you will get a bruise beside your eyebrow...
It's red here. It might be swollen by tomorrow- It's beside your eyes, a weak spot...

You don't have to

Ah, I am really sorry. What should I do...

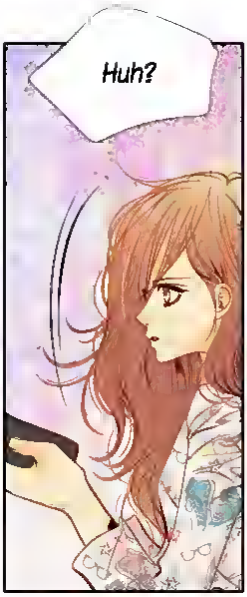


.....

It's okay.
Don't mind it.
Ah...

Here... your grandmother was worried about you so I bought you some. She said you must be starving.
WOW!
rustle
rustle

Is it that tofu lunch box that I like?!
I didn't eat anything this morning, so I nearly died from hunger... Hehe, I'll dig in.
There's no milk pudding left, so I couldn't buy any.
OO

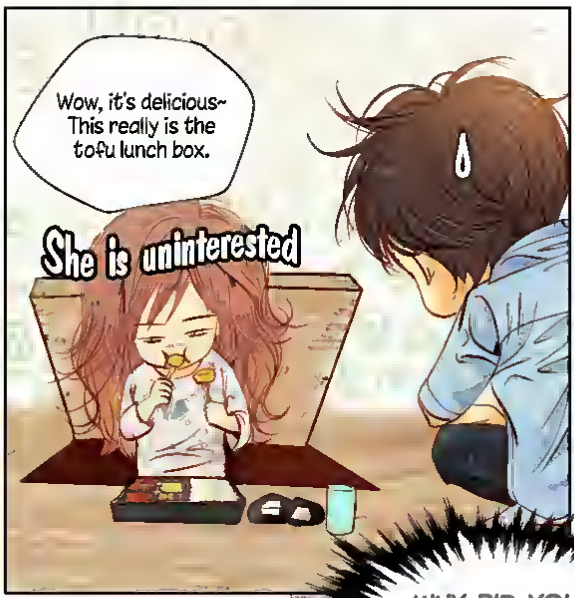


Huh?

How did you know I like milk pudding?
Uwa...

Ah... that is...
Talking to her was a mistake...

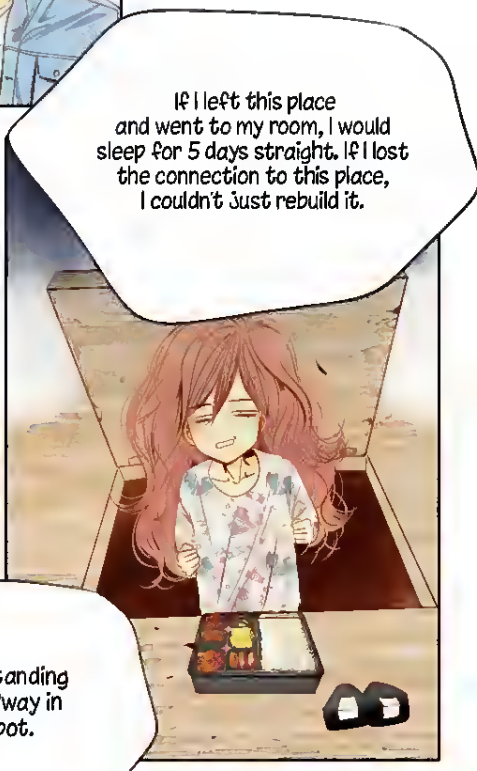
Normally women like pudding...



Wow, it's delicious~ This really is the tofu lunch box.
She is uninterested

WHY DID YOU EVEN ASKED ME, YOU DIDN'T EVEN LISTEN!

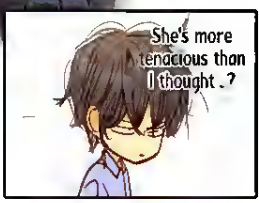
What are you doing in a place like that? You should've come outside and eat here,



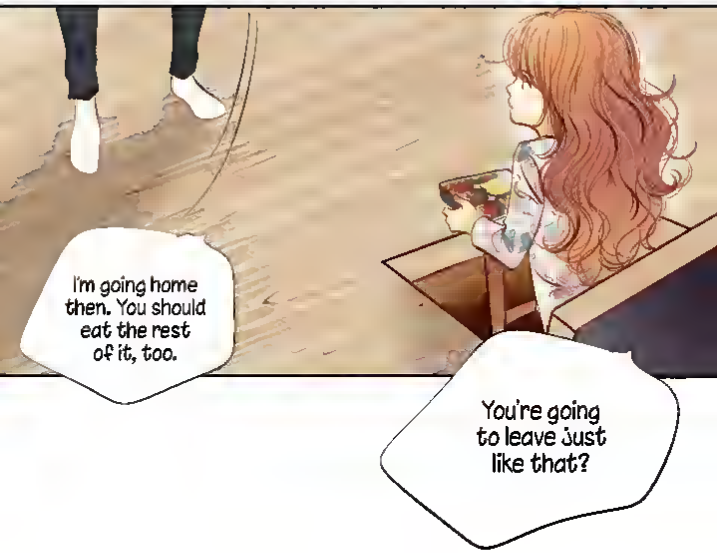
If I left this place and went to my room, I would sleep for 5 days straight. If I lost the connection to this place, I couldn't just rebuild it.

...so I'm standing here halfway in this spot.

She's standing in the middle of the ladder

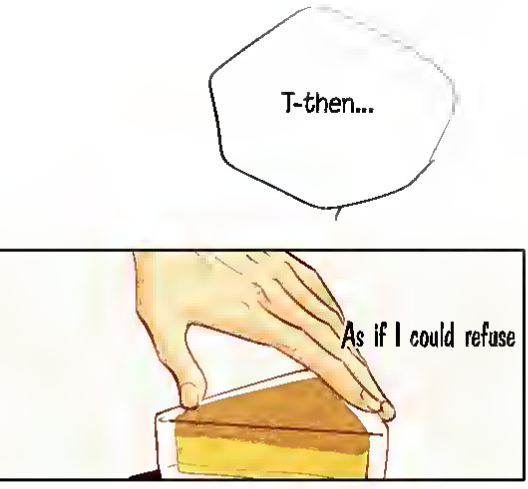


She's more tenacious than I thought..?



I'm going home then. You should eat the rest of it, too.
You're going to leave just like that?

Please eat this. I like cheesecake, but I'll give this one to you.
I bought it, why is she acting like she bought it...

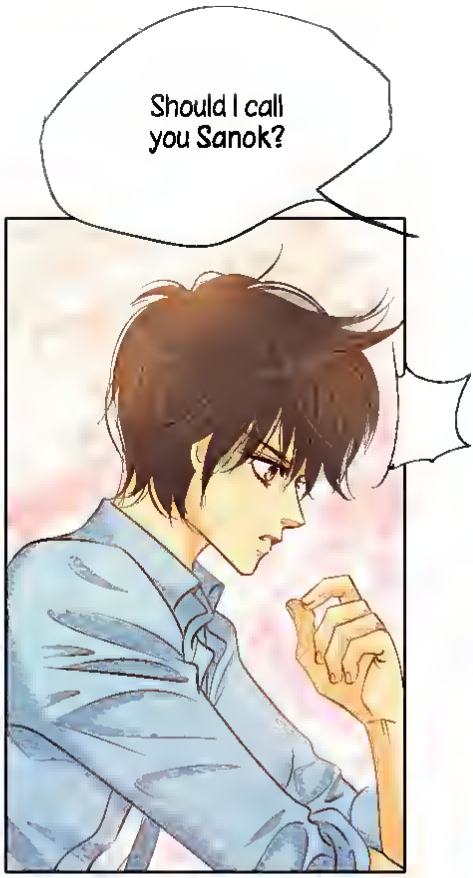


T-then...
As if I could refuse

Right... when I'm with him... It's always uncomfortable. That's why...
Munch Munch
Munch
I should have let him leave when he said he was going home before...

What should I say...

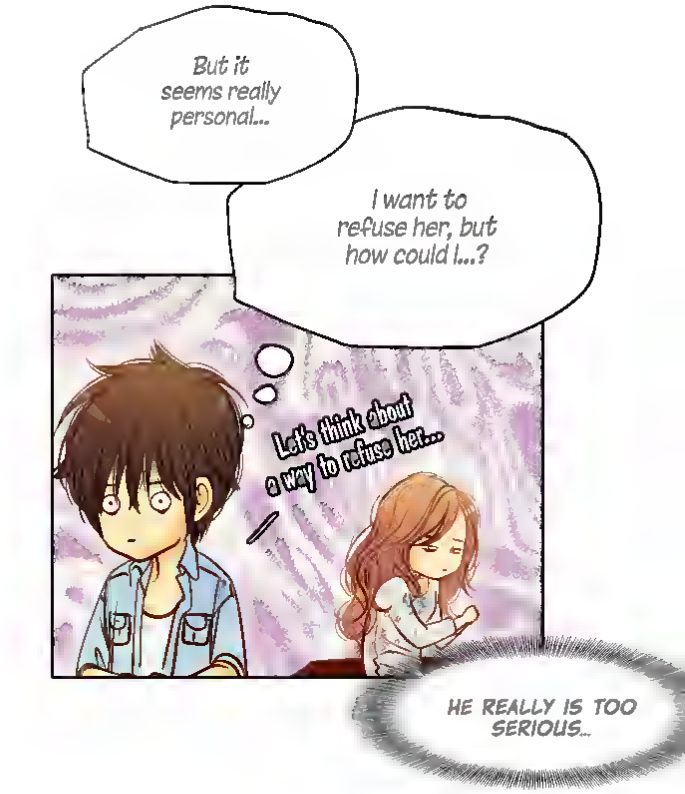
Look, you are two years older than me, right?
Then you should speak comfortably with me. Allen and I are doing the same, 'cause it's a bit confusing if you speak too politely.
What should I call you then...?



Sa, Sanok?

That's my name...

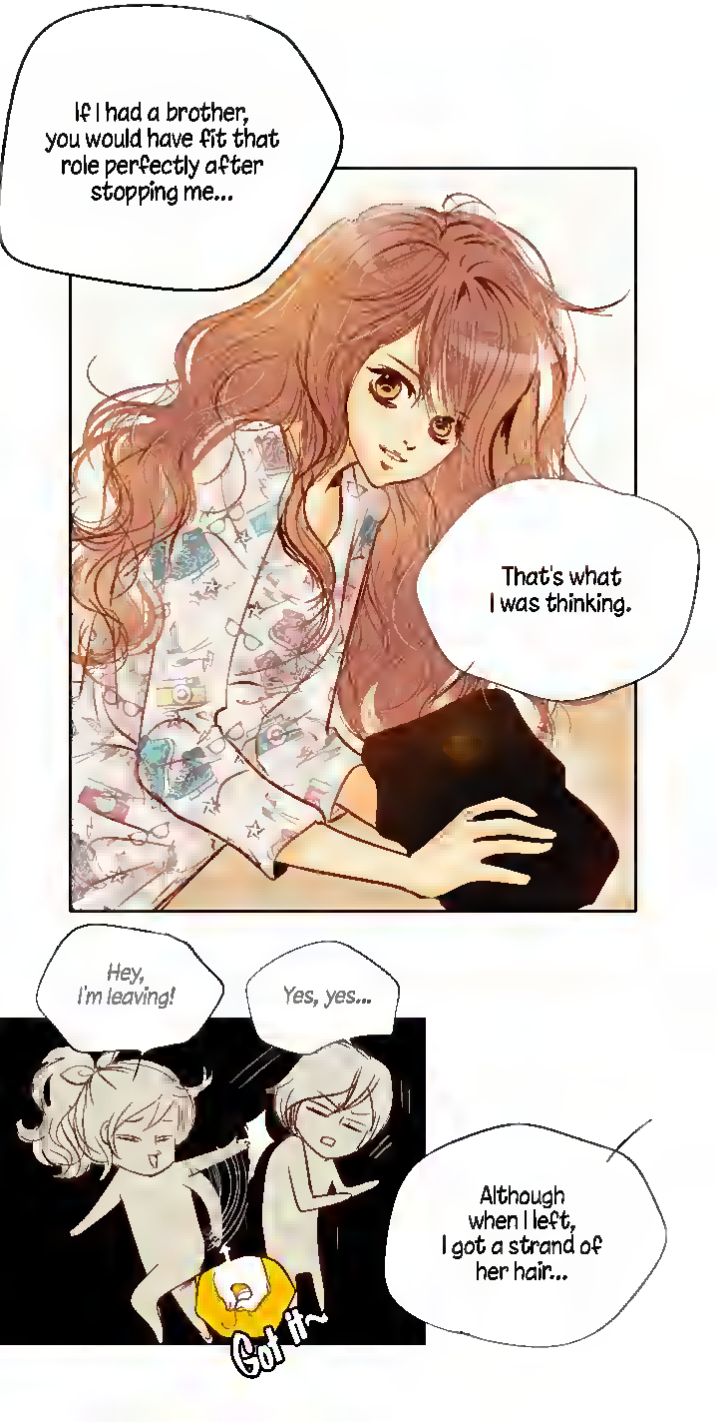
Sanok...
Sanok.....
Sanok....
Midan Gang... calling my name...?



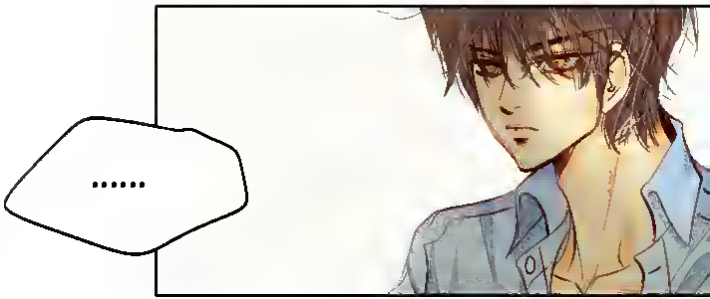
But it seems really personal...
I want to refuse her, but how could I...?
Let's think about a way to refuse her...
HE REALLY IS TOO SERIOUS..

Actually

When you stopped me from following my friend, I felt you're really close to me.



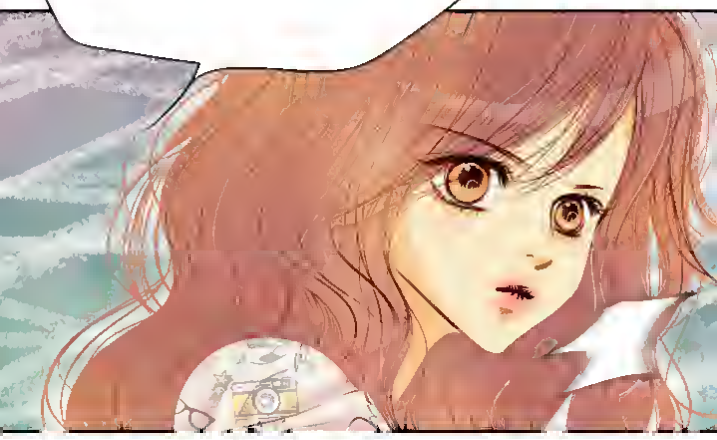
If I had a brother, you would have fit that role perfectly after stopping me...
That's what I was thinking.
Hey, I'm leaving!
Yes, yes...
Got it.
Although when I left, I got a strand of her hair...



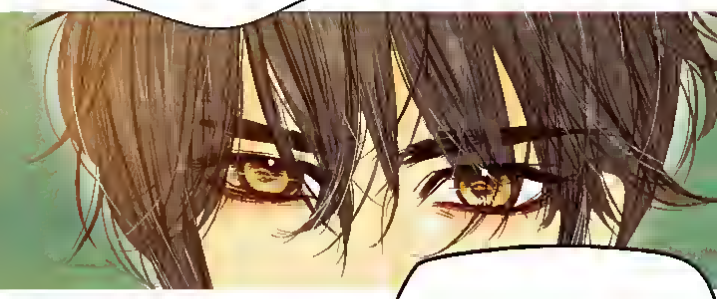
When I stopped you then-

I wasn't worried about you as a sister.

I was worried about Allen.

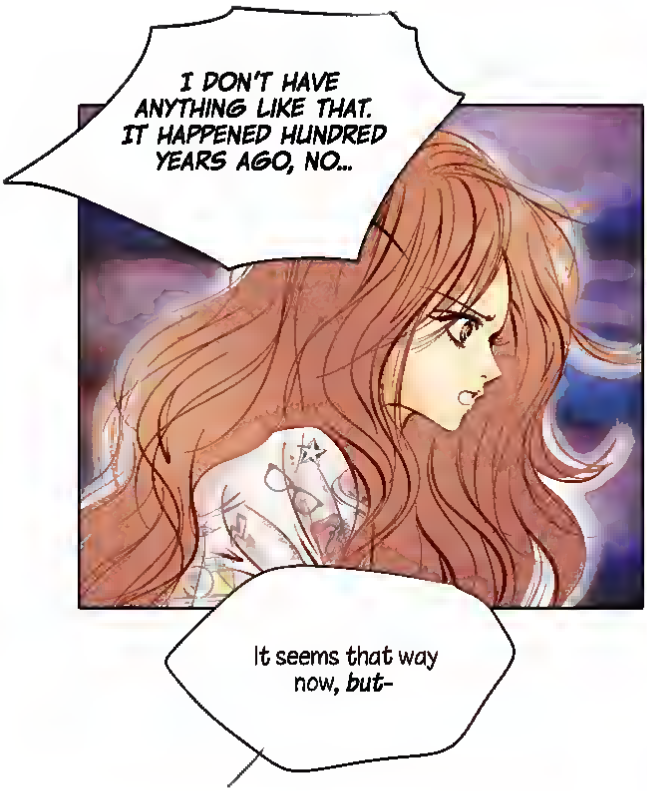


When I heard you from the outside, it seemed like a personal grudge,



And then you ran and tried to curse your friend. I was worried you might do the same thing to Allen.

I WOULD NEVER DO A THING LIKE THAT TO ALLEN!
The monster from the past which I advised you not to wake up-
It could be printed on your DNA.
The hatred and revengefulness against the Montrose household.



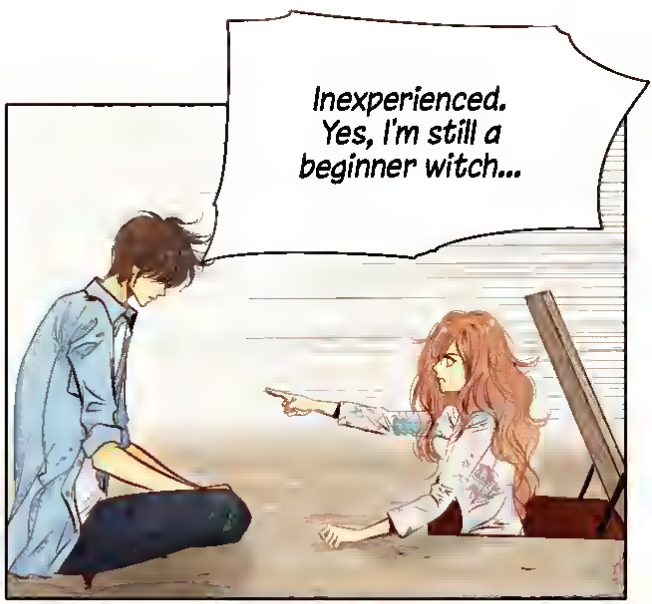
I DON'T HAVE ANYTHING LIKE THAT. IT HAPPENED HUNDRED YEARS AGO, NO...
It seems that way now, *but-*

Even if you finish reading that weird magic book, do you think you will still be the same?

What if that book awakens something inside you?
Yau watched too many mavies. There is na way samething from the past will reawaken inside me.

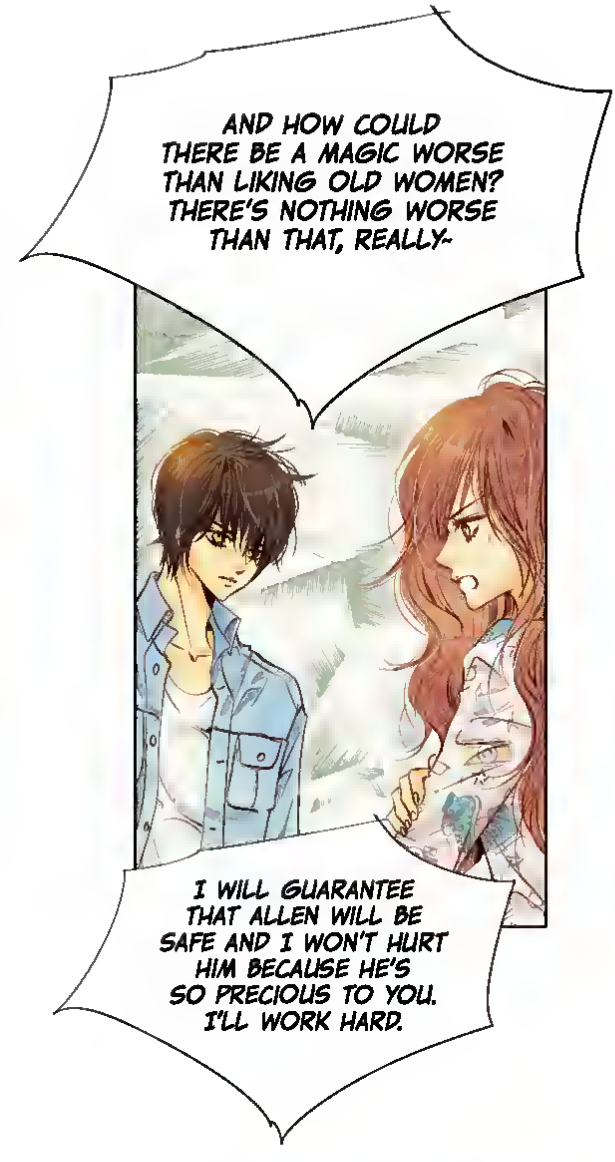
Your skill is not tested and since you're inexperienced, you're going to study magic and will use it against Allen afterwards?
What if Allen will be affected by even more strange magic and curses... will you take responsibility for it?

Is he for real...?



Inexperienced.
Yes, I'm still a
beginner witch...

But I am developing improvement!
I studied for 2 days and finished 1/5 of the work...!
IF YOU'RE SO RUDE AND TELLING ME I'M NOT SKILLED ENOUGH, I WILL GIVE YOU CONSTIPATION FOR A WEEK AND GO THROUGH HELL BECAUSE OF IT!
The reason for her development/ improvement is being capable of casting constipatian magic?

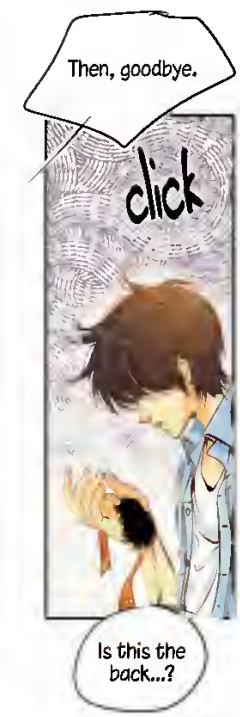


AND HOW COULD THERE BE A MAGIC WORSE THAN LIKING OLD WOMEN? THERE'S NOTHING WORSE THAN THAT, REALLY~
I WILL GUARANTEE THAT ALLEN WILL BE SAFE AND I WON'T HURT HIM BECAUSE HE'S SO PRECIOUS TO YOU. I'LL WORK HARD.

Then I am leaving~
STEP
STEP

I just wanted her ta get sa scared af hurting Allen that she gives up.

It's an eyepatch and bandaid casted with healing magic.
I made that during my practice. After wearing it for a day you should feel a lot better, so please put it on. Don't blame me if your wound gets worse.



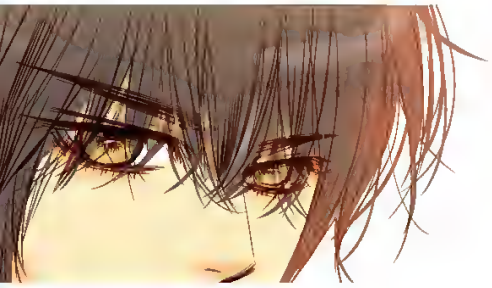
Then, goodbye.
click
Is this the back...?

And wear it for one day?

T/N: Goong Ye is one of the famous one-eyed king in Korean history

HAHAHAHAHAHAHA...

Father...



If this is the household which took care of the witches for 400 years-

There must be a manual.

Our ancestors must have experienced this before.

This heavy load
which presses down on
our shoulders...

The people who are
like shackles who took
away the freedom
from me,

so they won't get hurt and die.

I was trained to protect them.

My eyes which were simple and easy,

My feelings...

It has gotten
complicated.

Please tell me,

What can I do at a time like this?

Continued in next episode.....
